DSDx Day

The Gateway to a New Comprehensive, Digital & Esthetic Dentistry

DSDx Day is a one-day dental education course that's designed to help you reframe and rethink your dental career path to achieve even greater success and fulfillment in modern dentistry.

Learning Objectives:

- Why grow your Comprehensive Smile Makeover Business.
- Build the plan to get where you want to be. The Smile Business Formula.
- Understand what is holding you back. The 5 main challenges of Modern Dentistry.
- Learn the Real Digital Workflow.
- Overview of the latest and smartest technologies that are changing the way we rehabilitate smiles.
- Deep dive into how you can fully explore your intra oral scanner and get your return on investment.

The Program:

Session 1 (2.5h)

Why Comprehensive Digital Dentistry

Coffee Break (0.5h)

Session 2 (2.5h)
