**THE NUMBER ONE COURSE
FOR DENTISTS IN 2023**

Take control of your success like this

More than ever before, dentists are facing challenges that prevent them from enjoying a successful and enjoyable career. Overcoming these common obstacles enables dentists to:

1. become more profitable
2. work fewer hours
3. do more of the dentistry that they truly love

DSD Day shows you how to take control and clearly define your path to success.

DSD DAY
WORLD
TOUR

DSD Day is a game-changing day of visionary education in a city near you.

Give Christian Coachman a day in your schedule and he will show you the steps to unlocking your most successful and fulfilling career in dentistry.

You will:

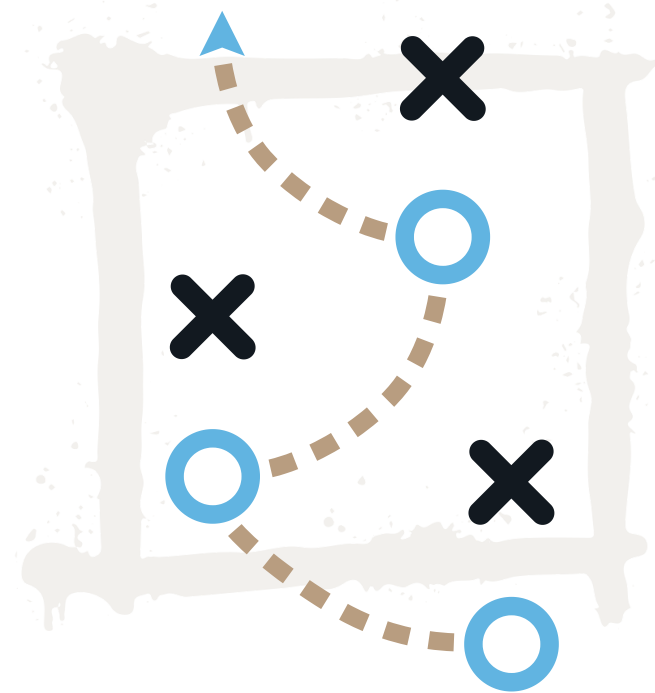

- Understand what comprehensive digital dentistry is and why you should be doing it
- Identify the challenges that are holding you back and the solutions to overcome them
- Discover how you can take advantage of new technology and trends
- Get an introduction to real digital dentistry and workflows
- Get a taste of DSD and how it could positively impact your dental clinic

Ask yourself...

**Where do I want to be in five years
and how can I get there?**

**If your answer is not clear, then
DSD Day is for you.**

Understand your options

There is an overwhelming amount of information out there. DSD Day will provide you with ideas and strategies to enable you to make your own decisions on where your clinic should be going.

You will get simple, actionable steps that you can take right away to start seeing results.

“The most dangerous place to be today is inside your comfort zone”
